Attention All 5th Grade Parents!

This year your child will be participating in beginner band! There will be a very important parent meeting on Wednesday, October 2nd at 6:00. During this meeting you will hear about the options for acquiring an instrument for your child to use. Options include using an instrument your family already owns, purchasing an instrument from our partner music company, (a convenient monthly payment plan is available), or using one of the instruments owned by the school.

THE
ZONES OF
REGULATION

"Good Thoughts vs. Uncomfortable Thoughts"

Each of us has many thoughts about the people in our lives whether we are at school, at home, or out in the community. This means we all have to be aware that others have thoughts about us as well, even when we are not talking to them! Many of the thoughts people have about us are good thoughts. But, all of us, at times, can have behaviors that cause other people to have uncomfortable thoughts about us. Remember last week's lesson about "Expected vs. Unexpected behaviors"? When we have expected behaviors such as helping a friend, following the rules, telling the truth, or being safe we make the people around us have good thoughts about us. When we have unexpected behaviors such as calling someone names, being unsafe, breaking rules, or lying we cause the people around us to have uncomfortable thoughts about us. If our behaviors cause the people around us to have more uncomfortable thoughts than good thoughts, they may begin to feel that we are not safe, fun, or easy to work or play with.

PATRON'S CORNER

Here are some of our upcoming events!

Our new officers will be reaching out soon regarding specific help you indicated you could provide!

Halloween Party - Friday, October 25th 5:00-6:30 – This is shaping up to be a great night! There will be trunk-or-treating, hallway trick-or-treating, food, games, and a haunted house put on by the 8th grade! To make this happen we are going to need some help! We'll need the following donations – individually wrapped candy, hot food items (crock pot or casseroles), snacks, drinks as well as help setting up, working stations and cleaning afterward. We are also looking for local businesses and/or individuals to decorate trunks for Trunk-or-Treating. Please drop off donations of individually wrapped candy at the office.

Craft Fair - Saturday, November 2nd - This is one of our big fundraisers that help pay for events like the Back to School BBQ, Halloween Party & Christmas Brunch, and student programming such as field trips and theater experiences. We will need people to help set up, clean up, and sell concessions.
